

TEAGAN GLENN

EXPERT SOFTWARE ENGINEER | LEADING SCALABLE DATA SOLUTIONS

that@teagantotally.rocks (720) 432-5361 <https://blog.teagantotally.rocks>

A highly experienced software engineer with over 20 years in the industry, I specialize in architecting and implementing large-scale, data-driven platforms. I bring a deep understanding of distributed systems and data infrastructure. Known for my leadership and ability to drive high-performance teams, I am passionate about creating scalable, reliable, and maintainable systems. My focus is on delivering innovative solutions that drive business outcomes through cutting-edge technologies.

</> SKILLS

PROGRAMMING LANGUAGES	PYTHON JAVA KOTLIN C#
DATA TECHNOLOGIES	DISTRIBUTED SYSTEMS DATA MANAGEMENT MICROSERVICES
AUTOMATION & DEVOPS	DEVOPS CI/CD INFRASTRUCTURE AS CODE
SOFT SKILLS	TEAM LEADERSHIP MENTORING CROSS-DISCIPLINE COLLABORATION STRATEGIC ALIGNMENT

HISTORY

Advanced Senior GraphQL Lead Engineer, Resideo

2022-05 — 2024-06

- Led innovative changes to Resideo's core platform and optimized data solutions.
- Designed scalable microservices and improved cross-team data architecture using GraphQL.
- Mentored engineers and elevated team practices, focusing on high-quality code and testing standards.

Team Leadership Scalable Data Platforms GraphQL Microservices

Senior Delivery Engineer, World Wide Technology

2021-01 — 2022-05

- Developed data-driven solutions involving network automation and system processes.
- Delivered high-impact solutions for internal platform development, focusing on data integrity.

System Automation Data Processing Python Ansible

Senior Automation Engineer for Comcast Applied AI, Turnberry Solutions

2019-05 — 2020-09

- Created and optimized data pipelines for machine learning and automation.
- Worked with cloud-based data architecture and infrastructure (AWS EKS, Kinesis).
- Led development of a universal plug-in library to optimize internal metrics collection.

Data Pipelines MLOps Machine Learning Cloud Infrastructure

EDUCATION

Metropolitan State University of Denver - Bachelor's in Applied Physics

2005-08 — 2010-04

Metropolitan State University of Denver - Bachelor's in Applied Mathematics

2005-08 — 2010-04

Metropolitan State University of Denver - Bachelor's in Computer Science

2005-08 — 2010-04
